

Process for verification and updation of Centralised Database for Corporate Bonds/ Debentures

1. Submit the details of the user who will be accessing the database in the enclosed user ID creation form.
2. NSDL will create and communicate the User ID and BP ID for log-in.
3. Access the link www.indiabondinfo.nsdl.com in the Internet Browser for Centralised Database for Corporate Bonds/ Debentures.
4. Digital Signature Certificate (DSC) is required to be obtained for login.
DSC issued by any of the following certification authorities are supported
 - i. e-Mudhra
 - ii. TCS
 - iii. (n) Code
 - iv. Safescrypt
 - v. VeriSign
5. Select “Login” on the screen. While login, provide User ID and login as Debenture Trustee (TR) and select the DSC of the user as informed at the time of User ID creation.
6. On Successful Login on the Home page, enter the ISIN or search the ISIN based on the name of the company.
7. ISIN details will be displayed. The ISIN details are provided under various tabs viz., Issuer Details, Instrument details, Credit rating details, etc. By default the Issuer details will be displayed. User can select the Instrument details for verification/updation of the details pertaining to the instrument of the ISIN.
8. User will verify the ISIN details along with the features of the instrument.
9. After verification, update the following information under “Debenture Trustee Default Details” Tab by clicking on “Modify” button.
 - a. Nature of the Issue
 - b. Issue size
 - c. Due date of interest/redemption
 - d. Actual payment date and details
 - e. Default details
10. User will confirm the details after updating by attaching the DSC.
